FROM OUR PASTOR, REV. CANON COMMINS

Dear faithful,

“The deepest essence of totalitarianism,” as Alexander Soljenitsyn wrote, “is not so much in the oppression of freedom on the part of power. The deepest essence of totalitarianism consists in the negation of the idea of truth, and in the fact that power and pleasure are no longer governed by truth.” The first step in our quest for truth and freedom is found in the knowledge of oneself, in recognizing ourselves as creatures of God, victims and culprits of a fallen nature. The second step to acquire that freedom is a more perfect conformity to the Divine Will. *We have the promise that nature in its turn will be set free from the tyranny of corruption, to share in the glorious freedom of God’s sons. You will come to know the truth, and the truth will set you free.*

HOW TO PROPERLY RECEIVE

HOLY COMMUNION

Reception of Holy Communion In the Traditional Mass, Holy Communion is offered exclusively on the tongue by the priest. This is offered in a safe and “contactless” manner, but to ensure that this is done with ease the communicant must follow the following guidelines: - Stick out your tongue slightly while your head is tilted back slightly. - Do not move your head while the priest is trying to give you Communion. - Wait for the host to be placed on your tongue and the priest’s hand is away from your mouth before closing your mouth. - Do not say “Amen “ before or after receiving our Lord as this may cause difficulty for the priest giving you Communion.
