### Solemnity of the Sacred Heart of Jesus

At that time, the Jews (because it was the Parasceve), that the bodies might not remain upon the cross on the Sabbath-day (for that was a great Sabbath-day), besought Pilate that their legs might be broken and that they might be taken away. The soldiers therefore came, and they broke the legs of the first, and of the other that was crucified with him. But after they were come to Jesus, when they saw that He was already dead, they did

not break His legs, but one of the soldiers with a spear opened His side, and immediately there came out blood and water. And he that saw it hath given testimony and his testimony is true. And he knoweth that he saith true: that you also may believe. For these things were done that the Scripture might be fulfilled: You shall not break a bone of Him. And again another Scripture saith: They shall look on Him whom they pierced.

## Who are the Sister Adorers of the Royal Heart of Jesus?

United and integrated with the Institute of Christ the King Sovereign Priest and sharing its spirituality, the Sisters Adorers of the Royal Heart of Jesus Christ Sovereign Priest have the particular vocation to pray for the sanctification of priests, especially those of the Institute, and to support them in their apostolates. During their years of novitiate, the postulants and novices are formed in the religious life and seek to unite themselves ever more closely to the divine Master, especially in daily Eucharistic adoration. Founded in January 2001, the community brings together religious sisters of many diverse nationalities, especially these last years when the novitiate opened its doors to postulants from Switzerland, Spain, Brazil, Malaysia, Ukraine, France, and several from the United States. During the first months of their formation, French and Latin classes are emphasized to ensure clear communication and understanding. Whether traveling around the world or in and around the cloister in community, all the sisters are called and united by Our Lord into one heart, that of the Holy Catholic Church, within our dear Institute.
