Emergency Repairs

This past week was a busy one. The church boiler was not working properly. Technicians came out to replace several parts, and during their work a crack was discovered. We are waiting for an estimate on the cost of replacing the broken section.

As you many have noticed, the back wall by the rectory fell. We will need to hire a company to haul away the rubble and look into replacing that section with a barrier or a wall.

St. Joseph, pray for us!
