Campus work

Spring is here, that means warmer weather and the ability to work outside. The window and roof work is now complete. Please take a look at the front of the church. The new clear protective glass will allow more light in and protect our precious stained glass.

Over time, we hope to replace the older and broken sections of the other windows.

The lights for the new lot were delivered at the end of last week. They should be able to be installed this week. The lot is usable, please feel free to use the new lot.

Thank you for your generous support of the parish!

Good Shepherd Sunday

On Good Shepherd Sunday, the 2nd Sunday after Easter, the Institute of Christ the King has a special second collection for our International Seminary in Florence, Italy. The blue envelopes marked seminary fund are for this donation.

Please keep the seminarians in your prayers. Some of these may be your future pastors. Every First Friday Mass at the seminary is offered for benefactors.
