Does your child have any special learning needs, educational history, emotional/behavioral needs we should be aware of?

If your child is 6-12 years old and participating in the \*free\* Reading/Handwriting class, what are his/her greatest areas of need in reading and handwriting? What curriculum or materials do you already use for Reading/Handwriting?

### **Class Registration**

Please select all classes in which your child will participate. Classes are free unless otherwise indicated. \$50 facility fee required for each child.
