Dear Faithful,

As we await the city building permits on the plans for our beloved Shrine, Canon Weaver continues to work with the architects, engineers, and contractors to detail and complete the construction drawings, so we will be ready to build! Along with Canon Hoogerwerf, we continue to fundraise across America as the faithful from all of the Institute's U.S. apostolates and friends from around the country generously and enthusiastically join our efforts here to build the Institute's Provincial Shrine of Christ the King for the glory of the Infant King and the salvation of souls. With this in mind, Canon Commins and I would like to ask your help with a special project as we continue to welcome more souls to the Shrine.

As part of our on-going efforts to beautify and revitalize our spiritual home, we would like to renovate our tired parking lot during these summer months. We will repair damaged areas, improve drainage, fill cracks, and then resurface the entire lot. The new parking lot will be striped to maximize parking capacity and include beautiful landscaping, additional lighting, and a decorative fence around the perimeter so that you all will have a safe and inviting place waiting for you each time you come to the Shrine of Christ the King!

By the help of God's grace, your continued generous financial support will make it possible for us to beautify our spiritual home, making it a welcome and inviting place for more people to come and honor our Holy Infant King. We can do this together if we all "Pitch in for Parking"!

To do this, I am asking you to consider making a special financial commitment over the next three months. During these summer months of July, August, and September, would you be willing to double the amount you are accustomed to giving in the regular Sunday collection?

If we all make this generous Sunday sacrifice together, Divine Providence will bless our extra efforts beyond the boundaries of this small goal. With the help of every one of us, we will accomplish together a great achievement for our Infant King as His Shrine family. As you pray to the Divine Child of Bethlehem, remember that He doesn't count what we give to Him, He weighs it! This summer, let's make it weigh twice as much together.

Thank you very much for your great dedication and continued generosity. Most of all, thank you for your heartfelt participation in the spiritual family of souls at the Shrine of Christ the King Sovereign Priest. May God reward each of you for "Pitching in for Parking!" With my prayerful gratitude and heartfelt appreciation, I remain,

Faithfully yours in Christ the King,

Canon Matthew Talarico
