Novena Prayer to the Immaculate Conception

O MOST HOLY VIRGIN who wast pleasing to God and didst become His Mother. Immaculate in thy body, in thy soul, in thy faith and in thy love, we beseech thee to look graciously upon the wretched who implore thy powerful protection. The wicked serpent, against whom the primal curse was hurled, continues nonetheless to wage war and to lay snares for the unhappy children of Eve.

Ah, do thou, our blessed Mother, our Queen and Advocate, who from the first instant of thy conception didst crush the head of our enemy, receive the prayers that we unite single-heartedly to thine and conjure thee to offer at the throne of God, that we may never fall into the snares that are laid for us, in such wise that we may all come to the haven of salvation; and in the midst of so many dangers may holy Church and the fellowship of Christians everywhere sing once more the hymn of deliverance, victory and peace. Amen.

Deus, qui nobis sub sacramento mirabili passionis tuæ memoriam reliquisti, tribue, quæsumus, ita nos Corporis et Sanguinis tui sacra mysteria venerari, ut redemptionis tuæ fructum in nobis jûgiter sentiâmus. Per Christum Dóminum nostrum. ℞. Amen.
