## THE COMPENDIUM

### CREDO

Part One-The Profession of Faith-Section Two  
Chapter Two

“Jesus Christ was conceived by the power of the Holy Spirit, and was born of the Virgin Mary”

85. Why did the Son of God become man? For us men and for our salvation, the Son of God became incarnate in the womb of the Virgin Mary by the power of the Holy Spirit. He did so to reconcile us sinners with God, to have us learn of God's infinite love, to be our model of holiness and to make us “partakers of the divine nature” (2 Peter 1:4).

86. What does the word “Incarnation” mean? The Church calls the mystery of the wonderful union of the divine and human natures in the one divine Person of the Word the “Incarnation”. To bring about our salvation the Son of God was made “flesh” (John 1:14) and became truly man. Faith in the Incarnation is a distinctive sign of the Christian faith.

87. In what way is Jesus Christ true God and true man?

Jesus is inseparably true God and true man in the unity of his divine Person. As the Son of God, who is “begotten, not made, consubstantial with the Father,” he was made true man, our brother, without ceasing to be God, our Lord.

88. What does the Council of Chalcedon (in the year 451) teach in this regard?

The Council of Chalcedon teaches us to confess “one and the same Son, our Lord Jesus Christ, perfect in his humanity, true God and true man, composed of rational soul and body, consubstantial with the Father by his divinity, and consubstantial with us by his humanity, ‘like us in all things but sin’ (Hebrews 4:15), begotten from the Father before all ages as to his divinity, and in these last days, for us and for our salvation, born of Mary, the Virgin and Mother of God, as to his humanity.”

89. How does the Church set forth the Mystery of the Incarnation?

The Church confesses that Jesus Christ is true God and true man, with two natures, a divine nature and a human nature, not confused with each other but united in the Person of the Word. Therefore, in the humanity of Jesus all things - his miracles, his suffering, and his death - must be attributed to his divine Person which acts by means of his assumed human nature.
