MAY GOD REWARD YOUR GENEROSITY!

*"Everything is a
grace, everything
is the direct effect
of our Father's
love - difficulties,
contradictions,
humiliations,
all the soul's miseries,
her burdens, her needs - everything,
because through them, she learns
humility, realizes her weakness.
Everything is a grace because
everything is God's gift.
Whatever be the character of life
or its unexpected events -
to the heart that loves, all is well."

Part One-The Profession of Faith-Section Two
Chapter Two

"Jesus Christ was conceived by the power of the Holy Spirit, and was born of the Virgin Mary

95. "...Born of the Virgin Mary": Why is Mary truly the Mother of God

Mary is truly the Mother of God because she is the Mother of Jesus (John 2:1, John 19:25). The One who was conceived by the power of the Holy Spirit and became truly her Son is actually the eternal Son of God the Father. He is God himself.

96. What does the "Immaculate Conception" mean?

God freely chose Mary from all eternity to be the Mother of his Son. In order to carry out her mission she herself was conceived immaculate. This means that, thanks to the grace of God and in anticipation of the merits of Jesus Christ, Mary was preserved from original sin from the first instant of her conception.

97. How does Mary cooperate in the divine plan of salvation?

By the grace of God Mary was kept free from every personal sin her whole life long. She is the one who is "full of grace" (Luke 1:28), "the all holy". When the angel announced to her that she would give birth to "the Son of the Most High" (Luke 1:32), she freely gave her consent with "the obedience of faith" (Romans 1:5). Mary thus gave herself entirely to the person and work of her Son Jesus, espousing wholeheartedly the divine will regarding salvation.

98. What does the virginal conception of Jesus mean?

The virginal conception of Jesus means that Jesus was conceived in the womb of the Virgin solely by the power of the Holy Spirit without the intervention of a man. He is the Son of the heavenly Father according to his divine nature and the Son of Mary according to his human nature. He is, however, truly the Son of God in both natures since there is in him only one Person who is divine.

99. In what sense is Mary "ever Virgin"?

Mary is ever virgin in the sense that she "remained a virgin in conceiving her Son, a virgin in giving birth to him, a virgin in carrying him, a virgin in nursing him at her breast, always a virgin" (Saint Augustine). Therefore, when the Gospels speak of the "brothers and sisters of Jesus", they are talking about the close relations of Jesus, according to the way of speaking used in Sacred Scripture.
