

# U.S. PROVINCIAL SHRINE CAPITAL CAMPAIGN

By God's grace and your generosity, we are building a spiritual stronghold for the Institute in the USA. Please consider helping us build the Institute's Provincial Headquarters campus in the United States. Here is the latest work being done this week:

## PROVINCIAL SHRINE:

### *Preparing for Radiant Heat*

This past week, workers began the removal of the original concrete slab in order to prepare the floor for the radiant heat system, which will be installed once the design clears permit. The original slab was significantly damaged, and its removal allows us the opportunity to include radiant floor heat into the mechanical design, providing a contemporary comfort to the Shrine's classical design. *Thank you for your support!*
