

U.S. PROVINCIAL SHRINE CAPITAL CAMPAIGN

By God's grace and your generosity, we are building a spiritual stronghold for the Institute in the USA. Please consider helping us build the Institute's Provincial Headquarters campus in the United States. Here is the latest work being done this week:

PROVINCIAL SHRINE:

Slab Removal Complete!

Thanks to your continued generosity and enthusiasm, the workers completed the removal of the Shrine's damaged concrete slab this week! 35 dumpsters of concrete in total were removed to expose the original grade of the historic church's floor. The dirt floor will now be graded according to the new plans so that a vapor barrier can be laid.

They will then lay the piping for the radiant floor heating system for which we are fundraising and need your help!

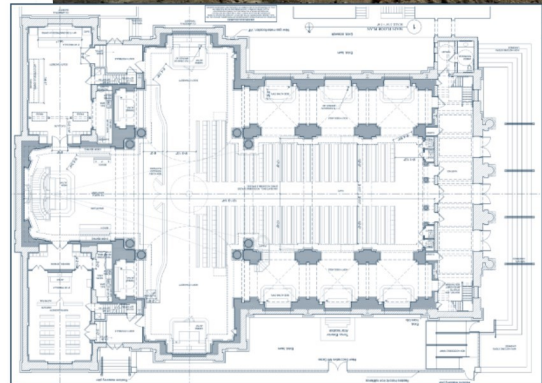

Take part in this once in a lifetime project! Together, we can rebuild the Church, but it takes *Living Stones to build this Spiritual Stronghold.*

Join us for our upcoming gala to help build the Shrine of Christ the King as the U.S. Provincial Headquarters of the Institute of Christ the King.

Purchase your tickets by scanning the QR code here, or visit us online at institute-christ-king.org.

May Christ our King bless you always!

To find out how you can help by donating to the Institute of Christ the King Sovereign Priest, Email our Project Manager, Rev. Canon Matthew Weaver, at info@institute-christ-king.org
