Choir Camp, August 5-10, 2018

Many who attend Masses at Institute apostolates remark on the beauty of the liturgy and specifically on the music which is an integral part of the Sacred Liturgy. The young members of our choirs not only contribute their voices, they give hope to the future of the liturgy. While regular weekly rehearsals are essential, it is the Institute's Annual Summer Choir Camp that has been extremely effective in honing skills that make our choirs what they are today. The 2018 Choir Camp will take place August 5th-10th, at the beautiful Mount Saint Joseph in Kentucky. Registration is open for children ages 10-18. For five days choristers will be immersed in daily music training, attend classes in Latin, Gregorian chant, music theory, and vocal technique, as well as daily Mass in the Extraordinary Form. Register Online Today: www.institute-christ-king.org/go/choir-camp/ Please consider making a donation so that we can offer Choir Camp scholarships to students.

FROM THE VICE-RECTOR: CANON JEAN-BAPTISTE COMMINS

Blessed Feast of Saint John the Baptist!

Thank you for all those who have participated in the Annual Pilgrimage to Holy Hill! Either by riding or walking with us, or by simply uniting themselves to the prayers of all Institute members on that grace-filled day. We were blessed with a beautiful Wisconsinite summer weather! Many families, many young Catholics, were present to be witness of the devotion to our Blessed Mother, praying for all your intentions, those of the Church and the Institute.

Today, feast of St John the Baptist, we would like to keep in our prayers particularly our Prior General, Monsignor Gilles Wach who was ordained priest on that day, by Pope Blessed John Paul II.

SUMMER PICNIC

RESURRECTION FROM ASHES CAMPAIGN: RESTORATION UPDATE

Summary of the work done these past weeks

1. The north wall truss backplates are in place and inspected, a required good practice.
2. The masonry enclosing the truss ends is complete on the north wall.
3. An additional support beam was deemed necessary in both the NE and SE corners of the building to provide additional stability. The NE corner support is installed.
4. All steel products required for completion of the roof support structure are on-site.
5. Some may be curious about the green screening added to the fencing on the northside of the building. This was required by a city environmental inspector and is intended to contain the dust from our work. The holes are intentional, preventing the wind from knocking over the fence.
6. The Institute architect, Bill Heyer, visited the site in May to inspect progress to date against his design. He also met briefly with the local architect, Walter Street, to discuss thoughts on Phase II.

You may recall that Phase II includes those items which enclose the building envelope (such as windows and doors) and make building occupancy permissible per Chicago's permit rules. These elements include HVAC, electrical, plumbing, accessibility, safety, etc. It is not until Phase III that beautification of the interior begins.

GETTING TO KNOW OUR COMMUNITY AT THE SHRINE OF CHRIST THE KING

Welcome to the Institute of Christ the King Sovereign Priest, an international religious community with over 90 apostolates worldwide whose aim is the defense and propagation of the reign of Christ in all areas of human life. The Shrine of Christ the King, Provincial Headquarters of the Institute and Chicago architectural landmark, has maintained its presence in the Woodlawn community since 2004, but sustained significant damage after a 3-alarm fire on October 7, 2015. All Masses are offered in the St. Joseph Crypt Chapel (6415 S. Woodlawn Ave), where St. Benedict's social hall is located on the lower level of the Priory. A parking lot is available adjacent to the rectory.

To access St. Joseph Crypt Chapel:

- **Back entrance behind the Priory from the parking lot, down the ramp.**
- **Gate and staircase, accessible from Woodlawn Ave. Between Church & Priory**
