SPECIAL COLLECTION FOR INSTITUTE SEMINARIANS: SUNDAY, MAY 5

Twice a year we kindly ask your help to support seminarians of the Institute of Christ the King—your future priests. Our international seminary, located in Gricigliano, near Florence, Italy, provides priestly formation for about 70 seminarians - not to mention the other 20 who work and study in our worldwide apostolates because the seminary building is not large enough to accommodate them all! The cost of maintaining the seminary and of making new rooms to accommodate our increasing number of seminarians alone is quite high. Many seminarians cannot afford the modest tuition fee on their own.

May God bless you for your generosity toward His future priests on Good Shepherd Sunday, May 5.

Wisdom from St. Francis de Sales

A bit of history ...

The first resident on the hill was a hermit named François Soubrio who came to hill in the mid 1800's. He had found an old French diary and map dated 1676 showing a cone-shaped mountain in Wisconsin. The diary described how the author placed a stone altar, raised a cross, and dedicated the hill to Jesus's mother Mary, an account which corresponds with Jesuit missionary work in the area in the late 1600's.

In 1855, Fr. Paul Huber, from Salzburg, Austria purchased 40 acres from the U.S. government with the intention of transferring the title to the Archdiocese of Milwaukee. Unfortunately, Fr. Paul Huber passed away unexpectedly and the land changed hands for decades until it was finally transferred to the Archdiocese in 1876.

Irish settlers first called the area Holy Hill, and on May 24, 1863 Fr. George Strickner first used the name formally in the course of his sermon when dedicating a log chapel as the first Shrine of Mary - Help of Christians.

In the winter of 1879, Fr. Ferdinand Raess, who contributed to many improvements to Holy Hill, sent a proposal to Archbishop John Henni to construct a new shrine to Mary. Construction began that spring. The building now known as the Old Monastery Inn and Retreat Center was completed in 1920. The second shrine was removed in 1925 so that a third shrine could be built. The cornerstone of the third and present shrine was placed by Archbishop Messmer on August 22, 1926. The present church was completed and consecrated in 1931.

As pilgrims began flocking to the shrine, and it was decided that a religious order should administer the shrine. A group of Discalced Carmelites came from Bavaria and the Shrine of Mary was put under their care on June 26, 1906 and they have been the custodians of this sacred place ever since.
