### Dear Parents,

Children are the joy of our Shrine's family, and your reward is great in heaven for generously accepting this gift of Divine Providence. When you have a crying child, particularly during the sermon or the canon of the Mass, you are kindly asked to make use of the crying room. You are also requested to restrain them from running, banging on the pews, or damaging the items found in them, or in the other rooms of the basement. It is of paramount importance to the safety of all that you never leave them unattended in the church, or the parking lots. Thank you for your understanding and cooperation, and, above all, for your presence here at the Shrine of Christ the King. If you have any suggestions as to how we could make it easier for you to care for your children during Mass, please do not hesitate to let me know. May God bless and keep you.

DEO GRATIAS!

7 new priests for the Institute, at the service of the Church, and many other ordinations to Minor and Major Orders!

So many reasons to give thanks for the many blessings bestowed upon our small and humble Institute.

Abbe Raymond Schmidt received the tonsure, entering this way into the clerical state, offering his life for the service of the Church in a humble and charitable oblation of himself. Let us give thanks for this beautiful vocation. What greater vocation than that of working in the vineyard of the Lord, at the service of the priests for his own sanctification and that of the many faithful entrusted to us.

Abbe Samuel Kubacki received the order of exorcist, giving him now a certain power over evil forces. This order in its fullness is bound to the authority of the Bishop meaning that he cannot perform any exorcism (normally only priests appointed by the Bishop and having a special formation at least five years after his ordination to the priesthood). However, in his fight against the devil he receives now special graces so as to prepare him to receive the next orders.

*Let us pray for them and may they bear fruits for the greater Glory of God and the Salvation of many Souls!*

SHRINE PICNIC

# RESULT-DRIVEN CONFIDENCE

We've all heard "freedom isn't free"; neither is restoring a magnificent historic landmark church. Your generous sacrifices are what make our restoration work possible, and that's why we are dedicated to keeping you up-to-date on our continual progress in this monumental project.

We are totally dependent on the generous donations of our neighbors and benefactors, and we owe it to you to *show* you the results.

Nothing says "thank you" more powerfully than our tireless dedication to responsibly using the funds received, and nothing builds confidence in a non-profit project than producing real *results!*

We look forward to showing you the results of your generosity each and every week, and building on the trust you have placed in us to restore Woodlawn's cornerstone by keeping our promise to you.

100% of your donation goes to restore the Shrine of Christ the King.
