Dear Parents,

Children are the joy of our Shrine's family, and your reward is great in heaven for generously accepting this gift of Divine Providence. When you have a crying child, particularly during the sermon or the canon of the Mass, you are kindly asked to make use of the crying room. You are also requested to restrain them from running, banging on the pews, or damaging the items found in them, or in the other rooms of the basement. It is of paramount importance to the safety of all that you never leave them unattended in the church, or the parking lots. Thank you for your understanding and cooperation, and, above all, for your presence here at the Shrine of Christ the King. If you have any suggestions as to how we could make it easier for you to care for your children during Mass, please do not hesitate to let me know. May God bless and keep you.

From the Vice-Rector, Canon Commins

Merci!

I would like to thank you all for the support you have shown for the occasion of my 30th birthday! Many good words, lovely letters, and most of all many prayers offered! I was particularly touched by the spiritual bouquet offered and signed by many of you. I have never seen and witnessed such a touching way of expressing to a priest such a spiritual support which is today in our society a real strength. We often ask a lot but often forget to be grateful for what we received from our parents and our family; biological and spiritual family!

Wholeheartedly: THANK YOU!

I would like to recommend to your prayers the upcoming youth camps starting next year. We had 52 girls last month for teen girls camp and we will have about 85 young boys next week and about 110 young girls the week after.

Registrations for teen boys camp in August are still open!

SHRINE PICNIC

Restoring Woodlawn is A FAMILY AFFAIR

From windows to walls, landscaping to office work, building the Shrine of Christ the King is truly a Woodlawn family affair!

Fathers and sons from the community work daily to restore and repair the historic landmark church and the surrounding grounds as mothers and daughters work together to make the Shrine of Christ the King a beautiful, safe and sacred place for us all.

All of these great people work side by side with the priests and oblate brothers of the Institute of Christ the King to bring Woodlawn's cornerstone back to life like a phoenix from the ashes.

We are dedicated to rebuild not only an historic landmark church in Chicago's south side, but also to pull our weight to help restore and revive a community. This very important work begins with the family.

Your financial support of the 6401 Woodlawn Heritage Foundation does much more than simply to help rebuild an historic cornerstone church, you help support and restore the real and true cornerstone of every community: the *family*. May God reward you for your support!

To find out how you can help by donating to the 6401 Woodlawn Heritage Foundation, Email our Project Manager, Rev. Canon Matthew Weaver, at info@institute-christ-king.org
