FROM THE VICE-RECTOR, CANON JEAN-BAPTISTE COMMINS

In the name of all the canons, we would like to thank you for your continued prayers during our Annual Chapter held at our motherhouse in Gricigliano, Italy.

This past week was truly a grace-filled week for all the priests of the Institute of Christ the King. We were blessed with the presence of our dear superiors and with a very special guest this year; Don Nault, abbot of the Saint Wandrille monastery in Normandy, fondation of the famous monastery of Solesmes.

He was able to celebrate probably for the first time, a pontifical mass and pontifical vespers as well.

Don Nault also gave an wonderful conference to all canons, reminding everyone of the importance of the priestly dignity and the beauty of spiritual direction and its requirements for priests themselves.

We were also able to celebrate the 40th anniversary of Monsignor Wach's priestly ordination. In his exhortation to all of us, he reminded us that the most beautiful gift is certainly the fidelity of his priests to our Lord's call.

Let us pray once again for all the priests that help and support the Institute through their teaching, their sacrifices and their friendship.

Getting Ready to CARRY THE WEIGHT

Though building the future organ within the Shrine of Christ the King is several years down the road, it is absolutely crucial that the structure of the loft is able to support the massive weight of it's magnificent design. This past week, the Shrine's music director met with the organ engineers and the architect to determine the size and weight of the future instrument so they are now able to move forward with the interior building plans.

The beauty of sacred music is of capital importance to the Institute of Christ the King. Your generous gift will help make this dream a reality for us in Woodlawn!
