MASSSES

Always caring for the **“LIVING STONES” FIRST**

As the 100 year-old church’s original limestone continues to be repaired and tuckpointed and the interior prepared for insulation and the new mechanical, electrical, and plumbing systems, the priests of the Institute of Christ the King continue to devote themselves tirelessly to the “living stones” of the Church.

These “living stones” are the many people who will soon enter the completed Shrine of Christ the King, because of your prayerful and generous support, to behold a “little piece of heaven” and give us the courage and the hope to continue in faith in the world today.

Teaching, instructing, blessing, and helping to get to heaven are what the priests of the Institute of Christ the King do every day by God’s grace, and the completed Shrine of Christ the King will be the Institute’s headquarters church in the United States so that Christ’s grace and peace may be ours in these important times.

*Will you help us build the Shrine of Christ the King
So the Institute can continue to build up the
“living stones” of the Church?*

To find out how you can help by donating to the 6401 Woodlawn Heritage Foundation, Email our Project Manager, Rev. Canon Matthew Weaver, at info@institute-christ-king.org
