HIGH MASS & PROCESSION

9:30 AM

FROM THE VICE-RECTOR, CANON COMMINS

Dear Faithful,

Catholic Culture has a richness that no other culture has. Only the Catholic Church has always had the genius and the power to appropriate to itself, to adopt and to elevate to such a degree all cultures throughout all Ages. Already the Apostles and later all missionaries, far from rejecting a local customs and cultures, have embraced them all and have brought them back to their origin, their end and their guide; Christ our Lord and his Divine Spouse, Mother Church. They have purify them to give them a new shine, where sin and evil had left for a while their footprints.

It that same spirit, join us as we will soon celebrate the Feast of **Our Lady of Lourdes** (December 8), **Our Lady of Guadalupe** (December 12) and **Simbang Gabi** (December 21)!

1937: Jubilee year commemorating the consecration of France to Mary by Louis XIII. Prayer is requested to avert the threat of universal war.

1939: For the victory of our armed forces.

1941: For the salvation of France. A special prayer to the Immaculate Conception is added from now on.

NOVENA TO THE IMMACULATE CONCEPTION

November 30 — December 8

O Most Holy Virgin who wast pleasing to God and didst become His Mother. Immaculate in thy body, in thy soul, in thy faith and in thy love, we beseech thee to look graciously upon the wretched who implore thy powerful protection. The wicked serpent, against whom the primal curse was hurled, continues nonetheless to wage war and to lay snares for the unhappy children of Eve. Ah, do thou, our blessed Mother, our Queen and Advocate, who from the first instant of thy conception didst crush the head of our enemy, receive the prayers that we unite single-heartedly to thine and conjure thee to offer at the throne of God, that we may never fall into the snares that are laid for us, in such wise that we may all come to the haven of salvation; and in the midst of so many dangers may holy Church and the fellowship of Christians everywhere sing once more the hymn of deliverance, victory and peace. Amen.

A bit of History...

France knows what is called the "Great Novena of the Immaculate Conception," which is held annually from November 30 to December 8. It was founded in 1936, and is practiced to this day without discontinuing. The original reason for this Novena was, according to the founders, the "extreme gravity of present events," alluding to the combined threat of communism and fascism, Nazism in particular. The Novena asked for zealous prayer in favor of the social and Christian regeneration of France and for universal peace. This call in homage of Pope Pius XI's eightieth birthday was addressed not only to the Catholics of France. It received a positive answer from hundreds of thousands of faithful in many countries of the world. The participants in the "Great Novena of the Immaculate Conception" were asked to say every day at least one decade of the rosary, followed by three times the invocation: "*O Mary, conceived without sin, pray for us who have recourse to Thee.*" Indulgences were granted to those who attended the Novena prayers in the/a church (three-hundred days each time) and received Holy Communion on one of the days of the Novena during or the octave. Even after sixty-six years of its existence, the basic prayer obligations remain the same, though from 1947 on, a special prayer to the Immaculate was added. This prayer reflects the special concerns and events of the time. The Novena is publicized by way of a special holy card featuring on one side the image of Our Lady, and on the other side the guidelines on how to pray the Novena. In particular, it lists the special prayer to the Immaculate.
