## Reception of Holy Communion

In the Traditional Mass, Holy Communion is offered exclusively on the tongue by the priest. This is offered in a safe and “*contactless*” manner, but to ensure that this is done with ease the communicant must follow the following guidelines:

- Stick out your tongue slightly while your head is tilted back slightly.
- Do not move your head while the priest is trying to give you Communion.
- Wait for the host to be placed on your tongue and the priest’s hand is away from your mouth before closing your mouth.
- Do not say “Amen” before or after receiving our Lord as this may cause difficulty for the priest giving you Communion.
